Job Description

Major Responsibilities:

Reporting to the Manager, Contract Development, Delivery and Inspections Area 2 (CDDI A2), the Project Manager will provide day to day support to the CDDI A2 Manager to manage issues relating to Summer contracts, Winter Operations coordination and contract, and managing staff for the Etobicoke York and North York Districts. The responsibilities of the position include, but are not limited to the following:

- Develops and implements detailed plans and recommends policies and practices regarding program-specific requirements
- Supervises the day-to-day operation of all assigned staff including the scheduling, assigning and reviewing of work. Authorizes and co-ordinates vacation and overtime requests.
- Monitors and evaluates staff performance, recommends salary increments, hears grievances in accordance with the collective agreement and recommends disciplinary action when necessary.
- Prepares annual Operating Budget including business cases and administers assigned Operating budget, ensuring that expenditures are controlled and maintained within approved budget limitations.
- Prepares annual Capital Budget including business cases and administers assigned Capital budget, ensuring that expenditures are controlled and maintained within approved budget limitations
- Ensures Payroll/Human Resources information is correctly reflected in SAP and TMMS.
- Assists in overseeing the mobilization and supervision of the area District Communication Centre during an emergency including the monitoring of winter equipment as required utilizing GPS/AVL software.

- Supervises the preparation of POAs for summer and winter contracts
- Leads the communications across area/divisional lines and distributes information by way of snow advisories.
- Ensures the implementation and administration of Electronic Work Management Sysyem (EWMS) designed to monitor productivity and performance.
- Ensures staff compliance with both Purchasing and Finance policies and procedures including the issuing of DPOs and CRO's.
- Provides technical and operational support to all levels of management in Operations and Maintenance
- Prepares reports for Senior Management, Director and Manager. Attends internal & external meetings and presents operational programs and policies.
- Ensures the harmonization of service delivery methodologies and balancing resources.

Key Qualifications:

1. Post-secondary education in Civil Engineering, Civil Technology, Municipal Infrastructure Transportation, or an approved equivalent combination of education and experience.
2. Extensive experience and working knowledge of winter operational requirements and applicable procedures and policies.
3. Considerable experience and working knowledge of GPS procedures and protocols for Transportation
4. Considerable experience in EWMS business systems or other municipal maintenance management system, and experience using SAP.
5. Experience in planning, supervising and providing work direction to staff. Ability to handle day to day personnel and labour relations issues.
6. Good interpersonal skills with the ability to communicate effectively and professionally both orally and in writing.
7. Possession of a valid Ontario Class "G" Driver's License and the ability to pass the test to be qualified to receive a City Operator's License.
8. Ability to be on stand-by off hours and weekends when required under varying climatic conditions.
9. Extensive knowledge and application of the Occupational Health and Safety Act, hours of work per the Employment Standards Act and relevant Collective Agreements.

A Qualified List of candidates will be established for the Project Manager Transportation Services position in the Transportation Services Division and will be in effect for up to two years from the date the list is created. Qualified candidates on the list may be considered when filling future permanent and/or temporary vacancies in this position.

Notes:

- Applicants are required to demonstrate in their resume that their qualifications match those specified in the job posting.
- Applicants understand that Time in Role requirements will be applied as part of the job competition process as outlined in the City’s Non-Union Recruitment and Time in Role policy.

- If selected for a temporary position, employee's placement is conditional on the approval of their executive director/general manager or designate
- Temporary and fixed-term part-time non-union employees will be reassigned to this position
- If the posted non-union temporary position becomes permanent, it may not be reposted
